### What we really do?

We are manufacturing and selling a full range of furniture components - hinges, drawer slides, lift systems and more. Also you can order a pre-packing service of our products.

### History of the Furnica

Furnica LTD was established in 2016 due to high demand on furniture components market in Great Britain and Western Europe. In 2018 Furnica became an official trademark registered in EUIPO (#017098971, #017953537).

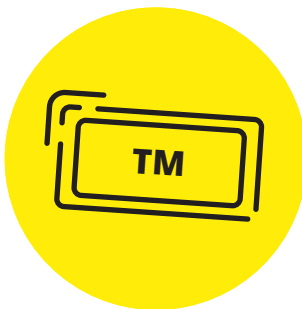

### Our Vision

The main objective of our job is to supply our customers with the best quality products in great prices.

### Cooperate with Us!

Are you a trade customer? Simply contact us so we can prepare you the best offer with a great prices.
